RA8 Aquamarine Essence Effectively Promotes the Production of Collagen

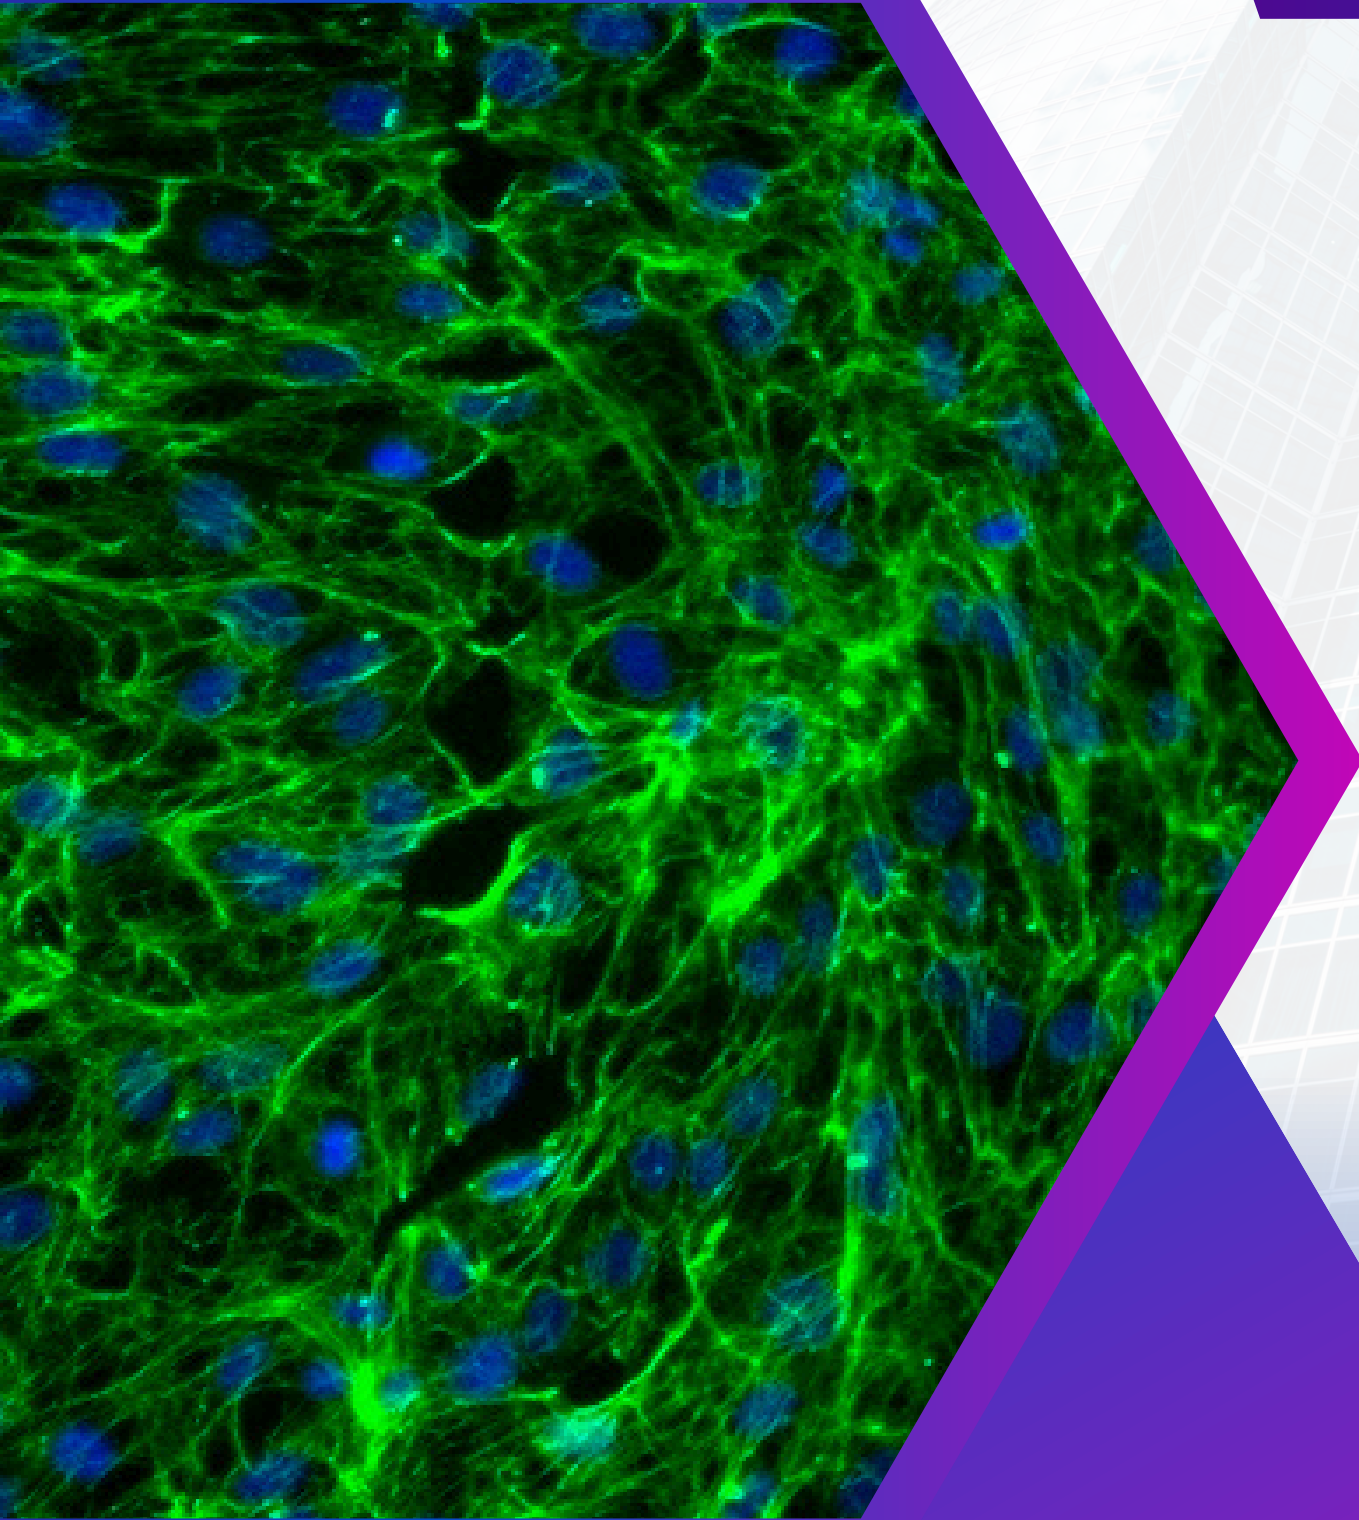

The production of collagen is crucial for :

1. Maintains Skin Elasticity and Firmness
2. Reduces Wrinkles and Fine Lines
3. Improves Skin Texture and Hydration:
4. Speeds Up Wound Healing
5. Prevents Premature Aging

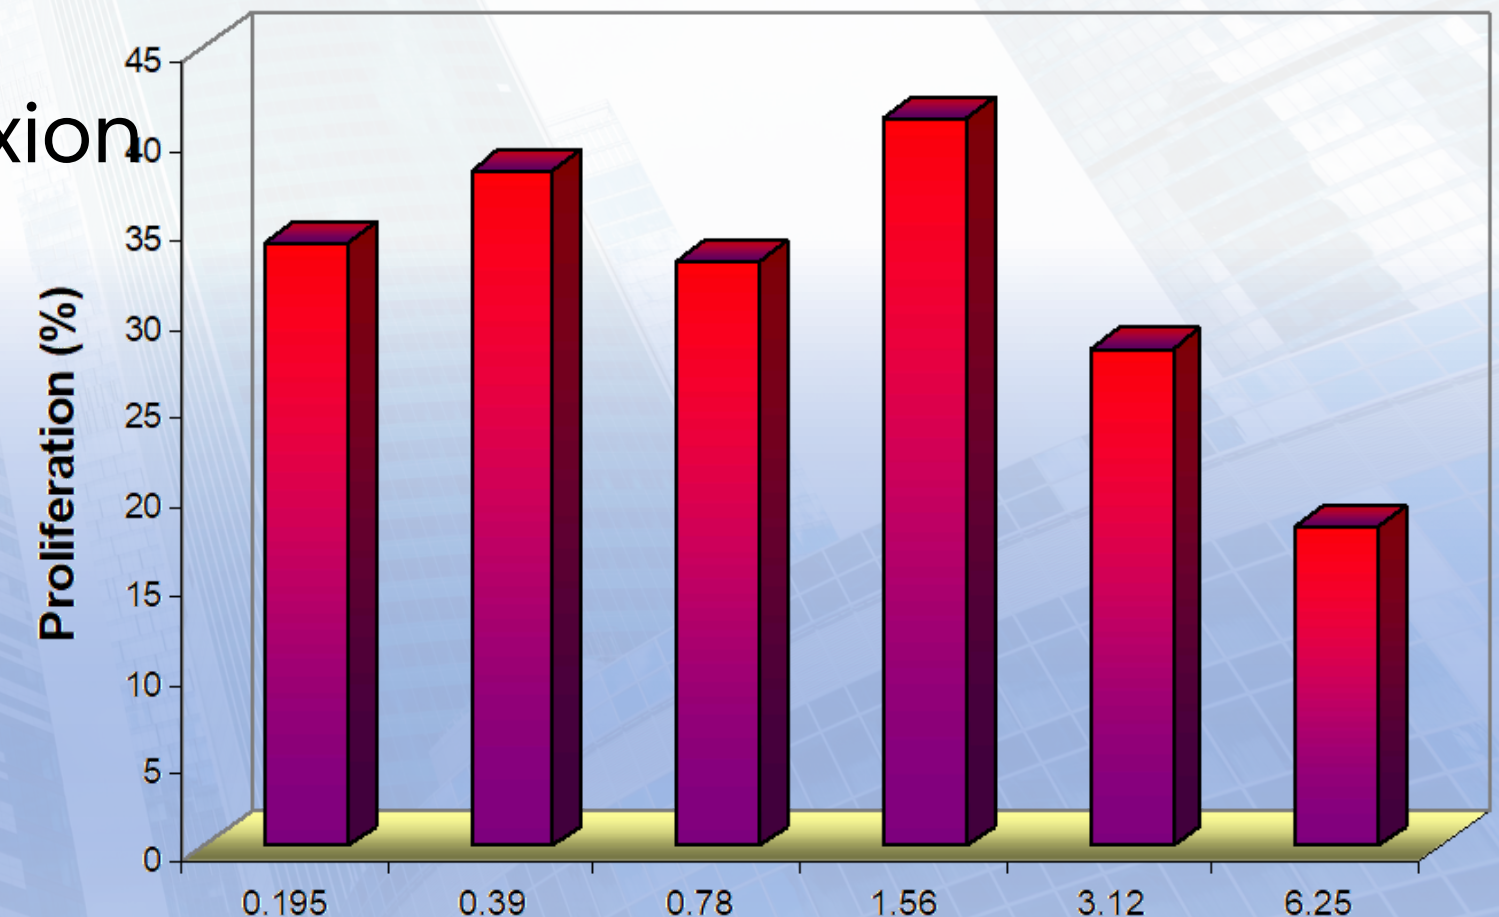

Human Skin

RA8 Aquamarine Essence Stimulates The Rapid Production of Fibroblast Up to 40%

By increasing fibroblast proliferation, the skin can produce more collagen and elastin, leading to:

1. Smoother Skin Texture
2. Reduce Wrinkles
3. Improved Firmness
4. Better Skin Healing
5. A Youthful Complexion

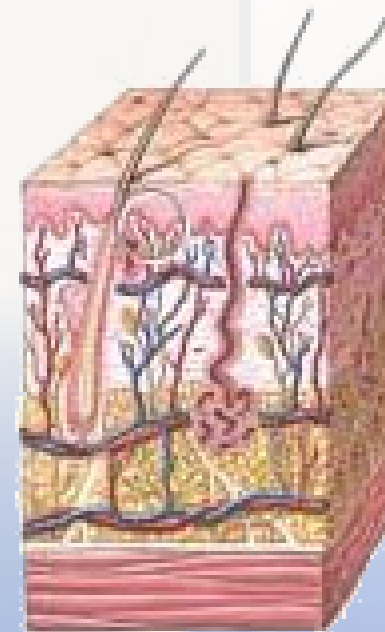

Human Fibroblast Cells

RA8 Effectively Reduces The Expression of Melanin

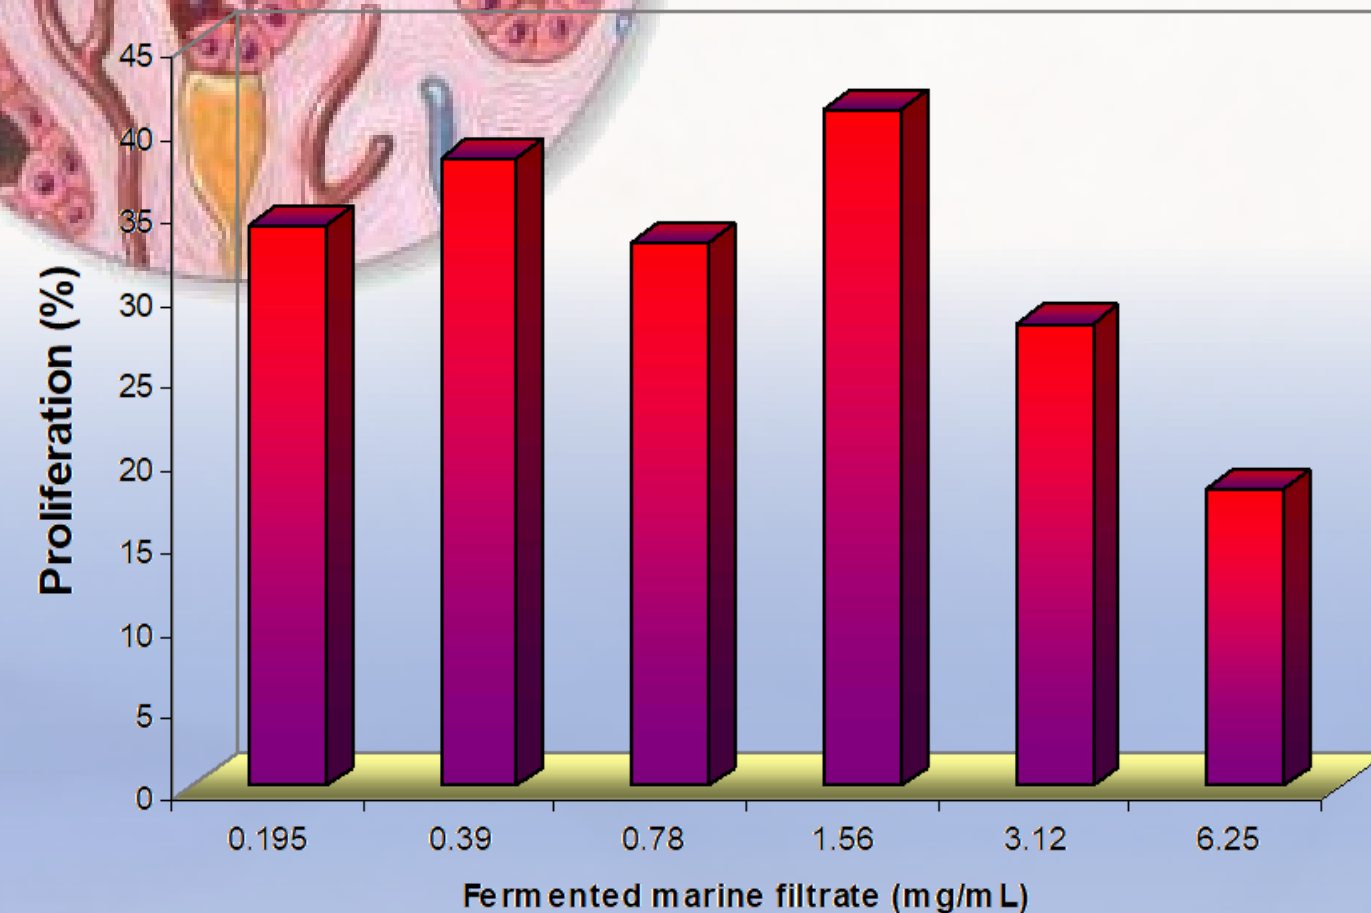

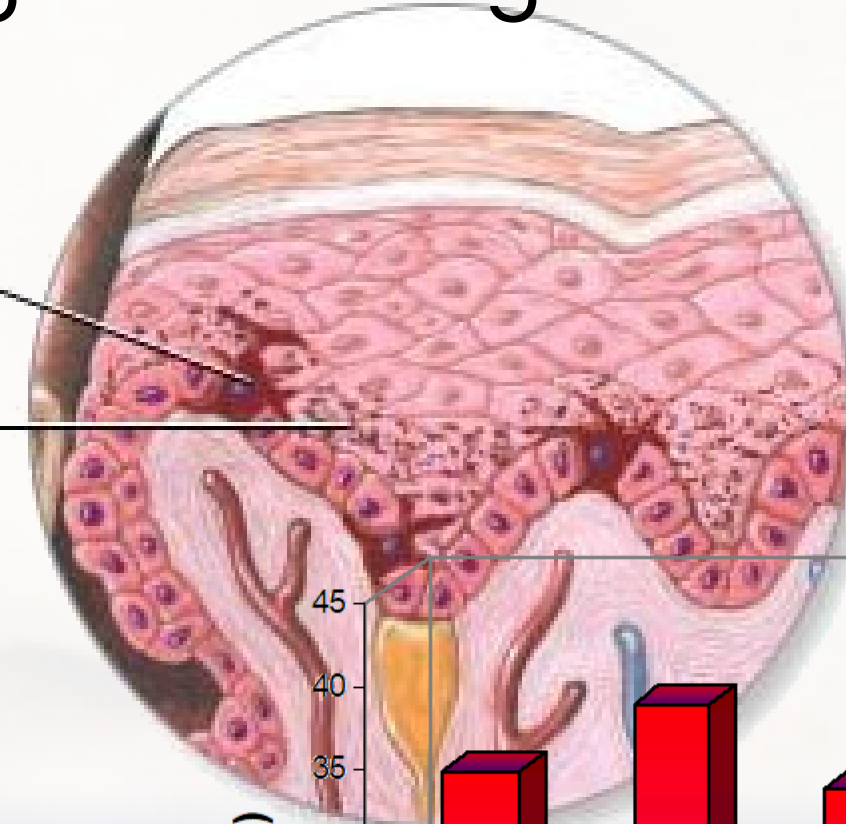

Melanocytes are cells that produce melanin. Melanin is the pigment that gives color to the skin.
